

It is time once again to collect our recharter fees. These fees will cover the boys until next February. The fees will pay for their National dues. The fees have been reduced again and will be \$10 this year. The pack has agreed to pay for Boys' Life magazine for all the boys. The scout may use his account to pay for all or part of the fee. Financial Aid is available if needed. We do not want any boy to drop Scouting because of their family's finances.

Any boy who chooses not to return (we hope none choose that) will still be able to participate in all Pack/den activities until March 31<sup>st</sup>. This is the day their membership expires.

Anyone who joined last September only paid for 6 months to cover their child until this point. I hope to see all of you return. Please see me for any reason that this may not be possible.
